## PROVINCIAL SECRETARY.

## CIRCULAR.

DEPARTMENT OF THE SECRETARY OF STATE,  
OTTAWA, 21st May, 1894.

SIR,—I am directed to inform you that His Excellency the Governor-General has had under his consideration in Council, a despatch from Her Majesty's Principal Secretary of State for the Colonies, respecting, *inter alia*, the unauthorized issue of a passport by the Mayor of a certain Canadian City, and directing attention to the fact that the only person in the Dominion of Canada empowered to grant passports is the Governor-General, or the Administrator of the Government, as the case may be.

That this limitation of the authority to issue passports which will entitle the bearer to British protection, is not so well known as, in the interests of the public generally, is desirable, is sufficiently evident, from the occurrence which gave rise to the despatch above referred to, and from other occurrences of a similar character in the past, and I am, therefore, to request that your Government may be moved to take such steps as may seem best calculated to ensure it the desired publicity.

I am also to enclose a copy of the Report of this Department for the year 1893, which contains, at page 59, the general regulation approved by His Excellency the Governor-General in Council with respect to the issue of passports.

I have the honour to be, Sir,  
Your obedient servant,  
(Signed) L. A. CATELLIER.  
Under Secretary of State.

His Honour  
The Lieutenant-Governor of B. C.,  
Victoria, B. C.

## REGULATIONS RESPECTING PASSPORTS.

The following is a synopsis of the regulations respecting the issue of passports, adopted by order of His Excellency the Governor-General in Canada:—

1. Applications for passports must be made in writing and inclosed in a cover addressed to "The Honourable the Secretary of State, Ottawa, Ontario."

2. The charge for a passport, whatever number of persons may be named in it, is \$4.00. The fee payable must accompany the application. Postage stamps will not be received in payment.

3. Passports are granted only to British-born subjects, or to persons naturalized in the Dominion of Canada; they are not limited in point of time but are available for any time or for any number of journeys to foreign countries. When the party is a "naturalized British subject" he will be so designated in his passport.

4. Passports are granted to all persons either known to the Secretary of State or recommended to him by some person who is known to him; or upon the application of any chartered bank in the Dominion of Canada; or upon the production of a certificate of identity, which may be obtained at the department, signed by any mayor, magistrate, justice of the peace, minister of religion, physician, surgeon, solicitor or notary resident in the Dominion of Canada. In certain cases, the applicant's certificate of birth must be produced, in addition to the certificate of identity.

5. If the applicant for a passport be a naturalized British subject, his certificate of naturalization, with his signature subscribed to the oath printed on it, must be forwarded to the Department of the Secretary of State, with the certificate of identity granted in his behalf; and his certificate of naturalization will be returned with the passport to the person who may have granted the certificate of identity, in order that he may cause such naturalized British subject to sign the passport in his presence.

6. A passport cannot be issued by the Department of the Secretary of State on behalf of a person already abroad, such person should apply for one to the nearest British Mission or Consulate; a passport cannot be issued abroad to a colonial naturalized British subject, except for a direct journey to the United Kingdom or to the colony where he has been naturalized.

7. The bearer of every passport issued by the Department of the Secretary of State should sign his passport as soon as he receives it; without such signature either the *visa* may be refused, or the validity of the passport questioned abroad. Travellers who may have any intention of visiting the Russian Empire, the Turkish Dominions, or the Kingdom of Roumania at any time in the course of their travels, should first have their passports *visa* at the nearest Russian, Turkish or Roumanian consulate, as the case may be. The addresses in London of these consulates are respectively as follows:—The Russian Consulate, 17 Great Winchester Street, E. C.; the Consulate-General of the Sublime Porte, 7, Union Court, Old Broad Street; the Roumanian Consulate-General, 37, Old Jewry, E. C. Persons proposing to enter Germany by way of France should also have their passports *vises* at the German Embassy in London or Paris. Travellers about to proceed to any other country need not obtain the *visa* of the diplomatic or consular agents of such country, except as an additional precaution, which is recommended in the case of passports of an old date.

N. B.—Although British subjects are now free to enter Belgium, France, Holland, Italy, Denmark, Sweden and Norway without passports, and the rules about passports have been virtually relaxed in other countries, nevertheless colonial British subjects about to visit foreign countries are recommended not to omit to provide themselves with passports, for even in those countries where they are no longer obligatory, they are found to be convenient as offering a ready means of identification, and more particularly when letters have to be claimed at a *poste restante*. For residence in certain districts of Germany or Switzerland a passport is indispensable.

Previous to any meeting of the Council, other than a statutory or adjourned meeting, a notice of the time and place of such intended meeting shall be given twenty-four hours at least before such meeting by fixing a copy of the said notice at the ordinary place of meeting of the Council, and such notice shall be signed by the Mayor, who shall have power to call a meeting of the Council as often as he shall think proper (Vide sec. 85, "Municipal Act, 1892.")

6. In case the Mayor shall refuse or neglect to call a meeting within twenty-four hours after a requisition for that purpose, signed by three members of the Council at least, shall have been presented to him, or in case of the absence of the Mayor from the municipality, it shall be lawful for the said three members to call a meeting of the Council by giving such notice as is hereafter declared in that behalf, such notice to be signed by the said three members instead of the Mayor, and stating therein the business proposed to be transacted at such meeting, and in every case summons to attend the Council, specifying the business proposed to be transacted at such meeting, signed by the Mayor or the members, as the case may be, shall be left at the usual place of every member of the Council, or at the premises in respect of which he is placed on the Municipal Assessment Roll, one clear day at least before such meeting, and no business shall be transacted at such meeting other than the business which is specified in the notice. (Vide sec. 16, "Municipal Act Amendment Act, 1894.")

7. The Council shall hold its ordinary meetings openly, and no person shall be excluded except for improper conduct. The Mayor or Chairman of the Council may expel or exclude from any meeting any person whom he considers has been guilty of improper conduct at such meeting. A special meeting may be

open or closed, as in the opinion of the Council, expressed by resolution in writing, the public interests require. (*Vide* sec. 87, "Municipal Act, 1892.")

8. In case the Mayor shall be absent from any meeting of the Council, such Alderman as the members of the Council then present shall choose to be Chairman shall act as such, and for the purpose shall have the powers and be subject to the same rules as the Mayor (*Vide* sec. 95, "Municipal Act, 1892.")

9. In the event of the death resignation, or removal from office of the Mayor, a meeting may be summoned at any time by the Clerk upon a special requisition to him signed by a majority of the members of the Council, and the Aldermen may select a Chairman, as aforesaid, who shall continue in office until such time as another Mayor shall have been elected. (*Vide* sec. 96, "Municipal Act, 1892.")

#### QUORUM.

10. All acts whatsoever authorized or required to be done by the Council, and all questions of adjournment, and others that may come before the Council, shall, save where otherwise expressed, be done and decided by the majority of the members of the Council, including the Mayor, or Chairman, who shall be present at any meeting of the Council. A majority of the members of the Council shall constitute a quorum for the transaction of business. (*Vide* sec. 89, "Municipal Act, 1892.")

#### MINUTES.

11. The minutes of the proceedings of all the meetings of the Council shall be drawn up and fairly entered into a book to be kept for that purpose, and shall be signed by the Mayor or Alderman presiding at such meeting, and with the exception of a special meeting which has been closed by resolution, the said minutes shall be open for the inspection of any person, who may make copies thereof and extracts therefrom, at all reasonable times, on payment each time of a fee of twenty-five cents. (*Vide* sec. 97, "Municipal Act, 1892.")

#### OPENING PROCEEDINGS.

12. As soon after the hour of meeting as there shall be a quorum present, the Mayor shall take the chair and call the members to order.

13. In case the Mayor does not attend within fifteen minutes after the time appointed for the meeting, the Clerk shall call the members to order, and if a quorum be present, a chairman shall be chosen, who shall preside during the meeting, or until the arrival of the Mayor.

14. Should there be no quorum present within fifteen minutes after the time appointed for the meeting, the Clerk shall record the names of the members present at the expiration of such fifteen minutes, and the Council shall stand adjourned until the next day of meeting, subject to the provisions of sections 5 and 6 of this by-law.

15. Immediately after the Mayor shall have taken his seat, the minutes of the preceding meeting shall be read by the Clerk, if required by any Alderman present, in order that any mistake therein may be corrected by the Council. No protest or expression of dissent shall be entered on the minutes.

#### ORDER OF PROCEEDINGS.

16. The General Orders of the Day for all ordinary meetings of the Council shall be as follows:—

- 1st. Reading of Minutes;
- 2nd. Original Communications;
- 3rd. Presenting Petitions;
- 4th. Inquiries and answers thereto;
- 5th. Presentation and consideration of Reports of Committees;
- 6th. Motions;
- 7th. Introduction and consideration of By-Laws;
- 8th. Unfinished business.

17. The business shall in all cases be taken up in the order in which it stands upon the "General Orders of the Day," but no business shall be proceeded with in the absence of the member in whose name it stands, except upon the production of his authority in writing to some other member to proceed with it.

18. All motions called in pursuance of the "General Orders of the Day," and not disposed of, shall be placed at the foot of the list, unless otherwise decided by the Council.

19. When any order, resolution or question shall be lost by reason of the Council, or any Committee thereof, breaking up for want of a quorum, the order, resolution or question so lost shall be the first business

to be proceeded with and disposed of at the next meeting of such Committee or Council, under that particular head.

#### THE MAYOR OR OTHER PRESIDING OFFICER.

##### *General Duties.*

20. The person elected as Mayor shall be deemed one of the Municipal Council and the head or Chief Executive Officer of the Corporation.

(a.) It shall be the duty of the Mayor to cause the law for the improvement of the municipality to be duly executed and put in force:

(b.) To communicate from time to time to the Council all such information, and recommend all such by-laws, resolutions and measures as, in his opinion, may tend to the improvement of the finances, health, security, cleanliness, and comfort of the municipality:

(c.) The Mayor shall have power to appoint such members of the Council as he may deem proper to be Standing Committees for any purposes which he considers would be better regulated and managed by means of such Committees; but the proceedings of all such Committees shall be subject to the approval of the Council, and no debt may be contracted or money expended by the authority of, or at the direction of, any such Committee in excess of fifty dollars at a time, unless first sanctioned by the Council in manner provided by statute, or by-law, or resolution of the Council:

(d.) The Mayor shall have unrestricted authority and power to inspect and order the conduct of all officers and employees of the Corporation, and to direct the method of management of the Corporation business and affairs, and, as far as may be in his power, to cause all negligence, carelessness, and violations of duty on the part of the officers and employees to be prosecuted and punished; but every such case of suspension shall be reported to the Council at its next sitting, and if the Council decide by resolution to reinstate any officer who has been so suspended, they may do so, or the Council may decide to make such suspension absolute. (*Vide* sec. 21, and sub-secs. (a), (b), (c) and (d), "Municipal Act, 1892.")

21. It shall be lawful for the Mayor of a municipality, at any time within one month from the passage or adoption thereof, to intervene and return for consideration, or to veto, any by-law, resolution or proceeding of the Council which has not been reconsidered by the Council in manner mentioned in the sub-sections hereof, and which has not been affirmed by the vote of the ratepayers:

(a.) The Mayor may state his objections, or any suggestions or amendments he may desire, to the Council, and the Clerk shall enter such objections, suggestions or amendments proposed at large, in the minute-book:

(b.) The Council shall, as soon thereafter as convenient, consider them, and may accept or reject them:

(c.) If after such reconsideration, a majority in number of all the members of the Council shall decide on division to pass such by-law, resolution or proceeding in the form in which it was first passed by the Council, the by-law, resolution or proceeding shall be as valid and effectual as it was prior to the intervention of the Mayor; but in all such cases the vote shall be determined by a show of hands of the members of the Council, and the names of the members voting for or against the by-law, resolution or proceeding shall be entered by the Clerk in the minute-book.

(d.) If upon such reconsideration the by-law, resolution or proceeding shall not pass the Council either in its original or in some amended form, it shall be deemed to be absolutely vetoed, and shall be of no force or effect whatever, and shall not be introduced again in to the Council during its then term, except with the unanimous consent of the Council, including the Mayor. Should such by-law, resolution or proceeding be amended upon such reconsideration, the same shall be deemed to have passed in its amended form. (*Vide* sec. 22, and sub-secs. (a.) (b.) (c.) and (d.) "Municipal Act, 1892.")

#### DUTIES AS PRESIDING OFFICER.

22. The Mayor, if present, shall preside at all meetings of the Council; whether sitting in a Committee of the whole or otherwise, he shall vote as a member of the Council, but shall not have a casting vote in the event of the votes of all the members of the Council then present, including himself, being equally for or against a question; but in all cases when the votes of the members of the Council then present, including the Mayor, are equal for or against a question the question shall be negatived and it shall be the duty of

the presiding member of the Council to so declare. (*Vide* s. c. 90, "Municipal Act, 1892.")

23. The Mayor shall preserve order and decorum, and decide all points of order which may arise, but subject to an appeal to the other members of the Council then present. (*Vide* sec. 91, "Municipal Act, 1892.")

24. When the Mayor is called upon to decide a point of order or practice, he shall cite the rule or authority applicable to the case without argument or comment.

25. If an appeal be taken by a member of the Council from the decision of the Mayor, the question shall immediately be put by him, and decided without debate, "Shall the Chair be sustained?" and the Mayor shall be governed by the vote of the majority of the members of the Council then present (exclusive of himself) in relation to such point of order, and the names of the members of the Council voting for or against the question "Shall the Chair be sustained?" shall be entered in the minutes, and in the event of the votes being equal the question shall pass in the affirmative. (*Vide* sec. 92, "Municipal Act, 1892.")

26. If the Mayor shall refuse to act upon the point of order as decided in accordance with the preceding section of this by-law, the Council may by a resolution at once made, appoint one of their number to preside in lieu of such Mayor, until the question or matter giving rise to the point of order shall have been disposed of, and the member of the Council so temporarily appointed shall act accordingly, and in the event of the votes being equal the question shall pass in the affirmative. (*Vide* sec. 93, "Municipal Act, 1892.")

27. Any motion carried under the circumstances mentioned in the preceding section shall be as effectual and binding as if carried under the presidency of the Mayor. (*Vide* sec. 94, "Municipal Act, 1892.")

28. If the Mayor desires to leave the chair for the purpose of taking part in the debate, or otherwise, he shall call on one of the Aldermen to fill his place until he resumes the chair.

#### RULES OF CONDUCT AND DEBATE.

29. Every member, previous to speaking to any question or motion, shall rise to his feet uncovered and shall address himself to the Mayor.

30. Members shall address the chair as "Mr. Mayor," or "Mr. Chairman," and refer to each other as "The Mayor," or "Alderman . . . . .," as the case may be.

31. When two or more members rise to speak, the Mayor shall name the member who, in his opinion, first rose from his seat; but a motion may be made that any member who has risen "be now heard," or "do now speak."

32. A member called to order from the chair shall immediately sit down, but may afterwards explain; and the Council, if appealed to, shall decide the case, but without debate, if there be no appeal, the decision of the Mayor shall be final.

33. No member shall speak disrespectfully of Her Majesty the Queen, or of any of the Royal Family, or of the Governor-General, Lieutenant-Governor, or persons administering the Government of the Dominion, or of this Province; nor shall he use offensive words in or against the Council or against any member thereof; nor shall he speak beside the question in debate, and no member shall reflect upon any vote of the Council except for the purpose of moving that such vote be rescinded; nor shall he resist the rules of the Council or disobey the decision of the Mayor or of the Council on questions of order or practice, or upon the interpretation of the rules of the Council; and in case any member shall so resist or disobey, he may be ordered by the Council to leave his seat for that meeting, and in case of his refusing to do so, he may, on the order of the Mayor be removed therefrom by the police; but in case of ample apology being made by the offender, he may by vote of the Council be permitted to forthwith retake his seat.

34. Any member may require the question or motion under discussion to be read at any time during the debate, but not so as to interrupt a member while speaking.

35. No member shall speak more than once to the same question without leave of the Council, except in explanation of a material part of his speech which may have been misconceived, and in doing so he is not to introduce new matter. A reply shall be allowed to a member who has made a substantive motion to the Council, but not to a member who has moved an order of the day, an amendment, the

previous question, or an instruction to a committee. No member, without leave of the Council, shall speak to any question, or in reply, for a longer time than a quarter of an hour.

36. When a debate on a question is closed, and the Council is ready for the question, the Mayor shall proceed to "put" the question, that is to say, the Mayor shall say, "Is the Council ready for the question?" Having read the question on which the decision of the Council is to be first given, he shall take the sense of the members by saying, "Those who are in favour of the question (or amendment, as the case may be) will raise the right hand;" "those who are of the contrary opinion will raise the right hand." When the supporters and opponents of the question have given their votes for and against the same, the Mayor shall declare the question "resolved in the affirmative" or "passed in the negative," as the case may be.

37. When the Mayor is putting the question, no member shall walk across the room, or make any noise or disturbance; nor, when a member is speaking, shall any other member pass between him and the Chair, or interrupt him, except to raise a point of order.

38. After the question is finally put by the Mayor, no member shall speak to the question, nor shall any other motion be made until after the result of the vote has been declared, and the decision of the Mayor as to whether the question has been finally put shall be conclusive.

39. Every member who shall be present when a question is put shall be expected to vote thereon, unless the Council shall excuse him, or unless he be personally interested in the question, provided such interest is resolvable into a personal pecuniary profit, or is peculiar to that member, and not in common with the citizens at large, and in such cases he shall not vote, but leave his chair while the vote is being taken, and resume it immediately thereafter.

40. Should any such member refrain from voting, when any question is put, for any other reason than that mentioned in the last preceding section, he shall be regarded as having voted in the affirmative, and his vote shall be counted accordingly.

41. The names of those who vote for and those who vote against the question shall be entered upon the Minutes whenever any member shall call for the ayes and nays, and the Clerk shall read aloud the names, in order that any mistake may be rectified.

42. The members of the Council shall not leave their places on adjournment until the Mayor leaves the chair.

#### MOTIONS IN GENERAL.

43. Previous to the introduction of any by-law or resolution at any meeting of the Council, a notice in writing of the resolution to be introduced, or the name of the by-law proposed to be brought forward by any member, shall be publicly exhibited for twenty-four hours previous to such meeting, in a public place, viz.: On the notice board in the vestibule of the main entrance to the City Hall, Douglas Street. (*Vide* sec. 88, "Municipal Act, 1892.")

44. No motion shall be considered regularly before the Council until it has been reduced to writing and read or proposed from the chair.

45. The Mayor shall read the motion at length: "Alderman ——— moves, seconded by Alderman ———, that," &c.; and having read it he shall add, "Is it the pleasure of the Council to adopt the motion?" When the Council is in this way formally seized of a question it may be debated, amended, superseded, resolved in the affirmative or passed in the negative, as the Council may decide.

46. After a motion is read by the Mayor it shall be deemed to be in possession of the Council, but may, with permission of the Council, be withdrawn at any time before decision or amendment.

47. A motion for commitment, until it is decided, shall preclude all amendments of the main question.

48. A motion to adjourn the Council, or to adjourn the debate, shall always be in order, but no second motion to the same effect shall be made until after some intermediate proceeding shall have been had.

49. When a question is under consideration no motion shall be received unless—

- (1.) To commit;
- (2.) To amend;
- (3.) To lay on the table;
- (4.) To postpone indefinitely;
- (5.) To postpone to a certain time;
- (6.) To adjourn;
- (7.) To move the previous question.

The several motions shall have precedence in the order in which they are named, and the last five shall be neither amendable or debatable.

A motion to adjourn shall be always in order, but it must be simply in the form "That the Council do now adjourn," or "That the debate be adjourned," and a motion to adjourn the Council or the debate to a certain day, or adding any expression of opinion or qualification thereto, shall not come within the terms of this rule.

A motion simply to lay a question on the table shall not be debatable under this rule, but a motion "to lay on the table to publish," or adding some condition or opinion or qualification shall be subject to amendment and debate.

#### THE PREVIOUS QUESTION.

50. The previous question, until it is decided, shall preclude all amendment of the main question, and shall be in the following words: "That this question be now put." If the previous question be resolved in the affirmative, the original question shall be put forthwith without any amendment or debate, but if the previous question be resolved in the negative then the main question shall be again debatable.

#### PRIVILEGES.

51. Whenever any matter of privilege arises it shall be immediately taken into consideration.

#### AMENDMENTS IN GENERAL.

52. A member shall have the right of moving an amendment to a motion without giving notice thereof. The amendment may propose:—

- (1.) To leave out certain words;
- (2.) To leave out certain words and to insert or add others;
- (3.) To insert or add certain words.

53. When it is proposed to amend a motion the question shall be put to the Council in this way:—The Mayor shall first state the original motion, "Alderman ——— moves, seconded by Alderman ———, that, &c.;" then the Mayor shall proceed to give the amendment, "To this Alderman ——— moves, seconded by Alderman ———, that, &c." The Mayor will put the amendment directly in the first place to the Council, "Is it the pleasure of the Council to adopt the amendment?" If the amendment be negatived, the Mayor shall again propose the main question, and a debate shall ensue thereon or another amendment may then be submitted, but not by the member who moved the negatived amendment. On the other hand, if the Council adopt the amendment then the Mayor shall again propose the question in these words, "Is it the pleasure of the Council to adopt the main motion (or question) so amended?" It shall be competent then for a member to propose another amendment, "That the main motion (or question), as amended, &c., be further amended, &c."

But such amendments are subject to the limitations set forth in the two next succeeding sections.

55. Only one amendment shall be allowed to an amendment, and an amendment once negatived by the Council cannot be proposed a second time.

56. Amendments shall be put in the reverse order to that in which they are moved (except in filling up of blanks when the longest time and the smallest sum shall be put first), that is to say, when there are a main motion, an amendment, and an amendment thereto, the Mayor shall submit first and take the sense of the Council on the last amendment: "Is it the pleasure of the Council to adopt the amendment to the amendment?" If this second amendment is rejected, it shall be regular to move another (provided it is different in purport from the one already negatived) as soon as the Mayor shall have again proposed the question: "Is it the pleasure of the Council to adopt the amendment to the main motion (or original question)?" Every amendment submitted shall be reduced to writing, and it shall be decided or withdrawn before the main question is put to the vote.

#### MOTIONS RULED OUT OF ORDER.

57. Whenever the Mayor is of opinion that a motion is contrary to the rules and privileges of the Council, he shall apprise the members thereof immediately, before putting the question, and shall cite the rule or authority applicable to the case without argument or comment.

#### DIVISION OF A QUESTION.

58. When the question under consideration contains distinct propositions, upon the request of any member, the vote upon each proposition shall be taken separately.

#### RECONSIDERATION.

59. After any question, except one of indefinite postponement, has been decided, any member may, at the first meeting held thereafter, move for a reconsideration thereof, but no discussion of the main question shall be allowed unless reconsidered, and there shall be no reconsideration unless notice of such reconsideration be given in accordance with section 43 of this by-law.

60. No question shall be reconsidered more than once, nor shall a vote to reconsider be reconsidered.

#### VOTING ON APPOINTMENTS.

61. In every election by the Council for a Municipal Officer, the names of all the candidates shall be submitted before any vote is taken, and the vote shall be by ballot. (*Vide* sec. 101, "Municipal Act, 1892.")

62. The Clerk shall prepare one ballot marked with his initials for each member of the Council, having written thereon the names of all the applicants; each member shall mark his ballot in the usual manner, by placing an X opposite the name of the person for whom he desires to vote; and the candidate receiving a majority vote of the members then present shall be declared elected. In the case of other elections being required, the balloting shall proceed in each case as at first until the requisite number shall have been elected. Should no candidate receive a majority of votes on taking the first ballot, the name of the candidate receiving the smallest number of votes in the ballot shall be dropped, and so on in each succeeding ballot until an election shall have been effected. The Mayor and Clerk shall act as scrutineers in all such cases.

#### ENQUIRIES.

63. Questions may be put to the Mayor or other presiding officer, or through him to any member of the Council, relating to any by-law, motion, or other matter connected with the business of the Council or the affairs of the City, but no argument or opinion is to be offered or facts to be stated except so far as may be necessary to explain the same, and in answering any such question a member is not to debate the matter to which the same refers.

64. All enquiries shall be in writing, and shall be handed to the Clerk of the Council at least two clear days before the day of the meeting at which such enquiry is to be made; and the answer to such enquiry shall be put in writing and handed to the Mayor or other presiding officer at least one hour before the meeting, and shall be read by him from the chair.

#### PROCEEDINGS IN COMMITTEE OF THE WHOLE.

65. A Committee of the whole Council shall be appointed by a resolution: "That this Council do now proceed to resolve itself into a Committee of the Whole." The Mayor shall then say: "Alderman ——— moves that the Council do now resolve itself into a Committee of the Whole to consider (here state subject matter)." An amendment may be then moved against the principle of the proposed resolution or question, or the motion for Committee may be negatived.

66. If the motion is agreed to the Mayor shall leave the chair (unless the Council decides otherwise), but he shall first appoint a Chairman of the Committee of the Whole, who shall maintain order in the Committee and who shall report the proceedings thereof.

67. No by-law or report of the committee shall be discussed in committee of the whole, unless such by-law or report has been previously type-written or printed and placed in the hands of the members, except it shall be otherwise decided by a vote of two-thirds of the members present, without debate.

68. The rules of the Council shall be observed in committee of the whole, so far as may be applicable, except that no motion shall require to be seconded, nor shall a motion for the previous question, or for an adjournment be allowed; and in taking the ayes and nays the names of members shall not be recorded, nor shall the number of times of speaking on any question be limited. No member shall speak for a longer time than ten minutes on any one question.

69. Questions of order arising in committee of the whole shall be decided by the chairman, subject to an appeal to the Council; and if any disorder should arise in the committee the Mayor shall resume the chair without any question being put.

70. Every question in committee shall be decided by a majority of voices.

71. In case of a division being called for the question shall be decided by a show of hands. The Clerk

shall count and declare the number on each side and the Chairman shall announce the result of the vote.

72. A motion in committee of the whole to rise without reporting, or that the Chairman leave the chair, shall always be in order, and shall take precedence of any other motion. On such motion debate shall be allowed, and on an affirmative vote the subject referred to the committee shall be considered as disposed of in the negative, and the Mayor shall resume the chair, and proceed with the next order of business. No member shall speak more than once to such a motion.

73. When all the matters referred to committee of the whole have been considered, the Chairman shall report the same to the Council. The Mayor then on resuming the chair shall ask, "Shall the report be adopted?" and the report may then be adopted or rejected or agreed to with amendments, or the matters therein contained, any or every, recommitted, or the further consideration thereof postponed; provided however, that the committee when it has partly considered a matter may report progress and ask leave to sit again, which if the Council approve, when the order for committee is again read, the Mayor, unless the Council decide otherwise, shall leave the chair forthwith without putting any question, and the Council shall thereupon resolve itself into a committee of the whole.

#### PROCEEDINGS IN REGARD TO THE PASSAGE OF BY-LAWS.

74. In proceeding with the introduction of a by-law the Mayor shall say, "Alderman ——— moves that leave be granted to introduce a by-law to," (giving title at length). On this motion being seconded and read by the chair it shall be debatable and amendable, but after it is agreed to, the next question, "When shall the by-law be read a first time?" must be agreed to without amendment or debate, though the Council may divide thereon and refuse the reading of the measure. In the case of a by-law recommended by the Mayor, under the provision of sub-sec. 6, of section 20 herein, the motion to introduce may be dispensed with and the following question put by the chair, substituted in lieu thereof, "Shall the by-law (giving title) be introduced?"

75. No by-law shall be introduced either in blank or in an incomplete form.

76. Every by-law shall be printed or type-written before or immediately after the first reading thereof, and shall be read a second time, and then considered in committee of the whole, and shall be read a third time, before it is signed by the Mayor.

77. Every by-law shall receive three several readings and on different days previous to its being adopted, except on urgent and extraordinary occasions, and upon a vote of two-thirds of the members present, when it may be read twice or advanced two or more stages in one day, subject however to section 92 herein.

78. When a by-law has been read the first time, an order shall be made forthwith, that the by-law be read a second time on a future day, or immediately, if the by-law be passed with unusual expedition.

79. On the order of the day being read for the second reading of a by-law, a motion shall be made, and a question put: "Shall the by-law be now read a second time?"

At this stage the introducer of the by-law shall be entitled to address the Council and propose a motion relative to the principle of the measure.

80. The question, "That the by-law be now read a second time," may be superseded by an amendment which leaves out all the words of the question after the word "That," and which substitutes for those words a resolution stating the object and motive on which opposition to the by-law is based.

Amendments may be moved to that question by leaving out "now," and by adding at the end of the question, "three months," "six months," or any other time.

81. When the by-law has been read a second time the Mayor shall put the question: "When shall the Council resolve itself into committee of the whole on this by-law?" The Council, on motion of the introducer of the by-law, shall fix the time, and if on a future day, when the order is duly reached, or, if immediately, the Mayor shall put the question, "Alderman ——— moves that the Council do now resolve itself into committee of the whole upon this by-law."

82. In proceedings in committee of the whole upon by-laws, the preamble shall be first postponed, and then every clause considered by the committee in its

proper order; the preamble and title to be last considered.

83. The Chairman shall read each clause and put the question formally thereon: "Shall the clause stand part of the by-law?" The clause shall then be debatable or amendable, line by line, or word by word. If amended, then the question shall be put: "That the clause, as amended, stand part of the by-law." On an amendment to "strike out and insert," the paragraph to be amended shall first be read as it stands, then the words proposed to be struck out and those to be inserted, and finally the paragraph as it would stand if so amended.

84. Amendments to clauses of a by-law may be made provided the same be relevant to the subject matter of the by-law.

85. A clause may be postponed, unless upon an amendment thereto a question has been fully put from the chair.

86. Postponed clauses shall be considered after the remaining clauses of the by-law, and before new clauses are brought up.

87. If a clause be disagreed to, a new clause in lieu thereof may be brought up after the remaining clauses of the by-law have been disposed of.

88. When every clause and schedule has been agreed to, and any new clauses or schedules have been added to the by-law the preamble shall be considered, and a question put, "That this be the preamble of the by-law."

89. When all the clauses of a by-law have not been considered, the Chairman shall be directed to report progress and ask leave to sit again.

90. When a by-law has been fully considered, the Chairman shall be directed either to report the by-law without amendment to the Council, or to report the by-law with amendments.

91. The Chairman, in pursuance of the directions of the Committee, shall report the by-law forthwith to the Council and the by-law may then be passed on question put from the chair, "Shall the by-law now pass?"

92. Every by-law passed by the Council shall be reconsidered not less than one day after the original passage, and if adopted by the Council and signed by the Mayor or confirmed by the municipal electors, in the manner provided by Statute, shall come into effect and be binding on all persons after the publication of the same in the British Columbia Gazette and in some one or more of the newspapers selected by the Council and circulating in the municipality, unless the date of its coming into effect is otherwise postponed by such by-law: Provided, however, that in the case of a by-law requiring the assent of the electors, such assent shall be given before the by-law is reconsidered, adopted, and published as aforesaid. (*Vide* sec. 122, "Municipal Act, 1892.")

93. Every by-law shall be under the seal of the Corporation, and shall be signed by the Mayor, or by the person legally presiding at the meeting at which the by-law has been passed, and by the Clerk of the Council. (*Vide* sec. 123, "Municipal Act, 1892.")

94. The Clerk shall endorse on all by-laws read in Council the dates of the several readings and passage thereof.
